

FIG. 1 is an exploded perspective view of a device, likely a multi-strapped bag or case. The central component is a rectangular frame (1) with a top flap (7) and a bottom flap (8). The frame has a series of vertical slots (10) and a central opening (11). A strap (2) is shown with a buckle (3) and a strap end (4). Another strap (5) is shown with a buckle (6) and a strap end (7). The device is shown in an exploded view, indicating the assembly of the straps onto the frame.
